

Assignment Brief

Course: WRIT102 Academic Communication Assessment: Research Essay Final Draft Due date: 2026-07-08 11:59 Required length: 1,400 to 1,600 words

Task: Write a research essay that makes an argument about academic communication in a digital environment. You must use at least three scholarly or institutional sources.

AI policy for this assessment: Students may use digital tools for brainstorming, grammar checking, and understanding assignment instructions. Students must not submit AI-generated paragraphs as their own writing. Any AI assistance that materially shaped the work should be disclosed in a short note.

Submission requirement: Submit the final essay and keep drafts, notes, and source records in case the marker requests clarification.
