ChatGPT

Date: 2026-06-29 20:10 Purpose: Asked for a plain-language explanation of the assignment question. Prompt: "Explain what 'process evidence in academic writing' means in simple terms." Use in final paper: No generated sentences were copied. I used the explanation to confirm my understanding.

Date: 2026-07-04 09:05 Purpose: Asked for possible headings after I had written the outline and two body paragraphs. Prompt: "Suggest neutral section headings for an essay about AI writing support and academic integrity review." Use in final paper: I kept my own headings and revised them manually.

Grammarly

Date: 2026-07-08 10:00 Purpose: Grammar and punctuation check only. Changes accepted: Comma after introductory phrase; corrected "depend of" to "depend on". Use in final paper: Grammar-level edits only. No paragraph was generated by Grammarly.
