

AI Use Note

Tool: Grammarly Purpose: Grammar checking and sentence clarity. Approximate date: During final editing week.

Accepted changes: - Removed repeated phrase "the problem is". - Changed "affects to learning" to "affects learning". - Suggested shorter sentence in the conclusion.

Gap: I did not save the exact timestamp for the Grammarly session. The final version history shows a grammar pass on 2026-07-06 and final export on 2026-07-07.

Use in final paper: No paragraph was generated. The tool was used for proofreading.
