

Assignment Brief

Course: EDUC118 Learning in Digital Contexts Assessment: Short Research Paper Due date: 2026-07-07 23:59
Length: 1,100 to 1,300 words

Task: Choose a digital learning issue and explain how it affects student study behavior. Use at least three academic or institutional sources.

AI guidance: Grammar-checking tools are permitted. Generative AI may be used for brainstorming only if the final writing is the student's own work.
