

Assignment Brief

Course: SOC204 Urban Communities Assessment: Analytical Essay Due date: 2026-07-06 23:59 Length: 1,200 to 1,400 words

Task: Choose one urban community space and analyze how it shapes social relationships. Use at least three sources.

AI rule: AI may be used to brainstorm topics or improve clarity of student-written sentences. Students may not submit AI-generated paragraphs as their own work. If AI was used to generate a draft paragraph, the student must keep a record and explain how the paragraph was rewritten.
