ChatGPT

Date: 2026-06-28 14:00 Prompt: "Give me possible research angles for community gardens and urban belonging."

Output used: Topic brainstorming only.

Date: 2026-07-01 19:35 Prompt: "Draft a paragraph about why community gardens create belonging." Output

used: Not copied into final paper. I compared the suggestion with my notes and rewrote the paragraph manually.

See `draft-02-rewritten-ai-paragraph.md`.

Date: 2026-07-03 08:10 Prompt: "Make this paragraph clearer without changing the meaning: [student paragraph

pasted]." Output used: I accepted two wording suggestions: "repeated cooperation" and "potential sites of

belonging." No full generated paragraph was copied.

Risk note: The 2026-07-01 prompt asks for a paragraph draft, so I need to explain how I rewrote it and provide paragraph-level evidence.
